Dr Joseph Ireland
PhD Science Education

**Proudly
presented by**

**Creating
Science**

No worries, no stress - let us bring the fun and take care of the mess! Science by a professional, practising scientist that is age appropriate and engages young minds! 15+ years experience in early childhood and science education!

Little Wonders Weekly Science Workshops
We'll bring the science to you EVERY WEEK!
Laugh a little and learn a lot with our hands-on science programs for all your little wonderers - with a science toy to keep each week!

**Only \$
a child for
the week
course,
Starting:**
